

Omaha Metropolitan Amateur Hockey Association

Dear O.M.A.H.A. Member,

In today and yesterdays news you may have heard of the arrest of Mr. Craig Crowell. Mr. Crowell was a Bantam House League coach within O.M.A.H.A. Hockey and has coached other house league teams in the past.

Yesterday was the first time that we heard about this situation; that was through a news reporter. O.M.A.H.A. Hockey has never been contacted by any law enforcement agency in regards to any type of investigation.

As the news station reported; there's no evidence that law enforcement believes, that there is any involvement with any local minors. Mr. Crowell was notified immediately that he is suspended indefinitely as a coach within our program. O.M.A.H.A. Hockey will let Federal investigator come to the conclusions of this investigation.

If you have any concerns please contact your local law enforcement agency.

Thank you,

Pat Meschede
