

Junior Lancer Parents, Alumni and Friends,

The O.M.A.H.A. Junior Lancers would like to announce the date of our second annual Dinner/Casino Night fund raising event. Please circle the evening of Friday, February 19, 2010. This Jr. Lancers do not have any games scheduled this weekend.

This event provides an excellent opportunity for Jr. Lancer parents, past, present and future, former players and friends of O.M.A.H.A. to gather for a fun filled evening. We are hoping to have a large party for people who love hockey! The event will include dinner, beverages, music, raffles, silent auction items and casino games for entertainment. With everyone's help, last year's event was both fun and successful and anticipate that this year will as well.

Feel free to contact event organizers Cis Frankowski at 210-4791 or Brenda Orr at 657-2145 if you have any questions or fun suggestions! We already have some great, donated prizes and are looking forward to a creative, fun event!

Thank you in advance for your participation in the Jr. Lancer Casino Night 2010!
